## Basic Terms | Grundbegriffe

All sales are final and all orders are custom. I try to keep no stock. It takes time to process an order, typically from around 7 to 10 days plus shipping time. Sometimes I am able to ship things right away if I have them already manufactured. Delays are possible due to external factors such as pandemic situation, disruptions in the supply chains of key materials, disruptions in logistics, and occasional misprints. If you cannot wait, then you should not order.

Alle Verkäufe sind endgültig und alle Bestellungen sind individuell. Ich versuche, nichts auf Lager zu haben. Die Bearbeitung einer Bestellung dauert in der Regel zwischen 7 und 10 Tagen plus Versandzeit. Manchmal kann ich Dinge sofort verschicken, wenn ich sie bereits hergestellt habe. Verzögerungen sind aufgrund externer Faktoren wie Pandemien, Unterbrechungen der Lieferketten für wichtige Materialien, Störungen in der Logistik und gelegentliche Druckfehler möglich. Wenn du nicht warten kannst, dann solltest du nicht bestellen.
